

For Immediate Release

**MachineryLink Joins Forces with  
Chrome Shop Mafia for 2009 Smarter Harvest Tour**

**Kansas City, MO (October 20, 2008)** - MachineryLink, Inc., the leading provider of combine leasing programs to agricultural producers in North America, today announced a collaboration with the Chrome Shop Mafia for the creation of the world's first custom-restored antique combine for the 2009 Smarter Harvest Tour.

The unprecedented alliance between MachineryLink and the Chrome Shop Mafia (CSM) will produce a dynamic one-of-a-kind machine, combining a vintage heritage with modernized state-of-the-art technology and communication equipment, and finished with the external appearance package that could only be accomplished by the CSM team.

The 2009 Smarter Harvest Tour will launch at the KNID Agrifest in Enid, Oklahoma. Held January 9 and 10 at the Chisholm Trail Expo Center, Agrifest is the fastest growing agricultural show in Oklahoma. The Tour will make a total of 8 agricultural trade shows in seven states and Western Canada, as well as many regional promotional events.

**About MachineryLink, Inc.**

MachineryLink ([www.machinerylink.com](http://www.machinerylink.com)) is the leading and fastest growing provider of combine leasing programs to agricultural producers in North America. Its headquarters are in Kansas City, MO, with operational centers in Pratt, KS and N. Sioux City, SD. The company also maintains seasonal service facilities in five locations across the United States. MachineryLink's unique Managed Lease program allows growers to significantly lower their equipment costs by providing the latest harvest technology and equipment with guaranteed delivery and pick-up.

**About Chrome Shop Mafia / 4 State Trucks, Inc.**

Located in Joplin, MO, 4 State Trucks has been serving the nations truck industry with excellent new and used parts and service since 1979. In 2003, the Chrome Shop Mafia ([www.chromeshopmafia.com](http://www.chromeshopmafia.com)) was introduced as a "truckers club" for customers who wanted to take their rigs to a higher level. Many of their custom creations were featured on 41 episodes of the CMT program, "Trick My Truck" in 2006 and 2007.
