MachineryLink Hires Amy Faulkner as Controller

Kansas City, MO (October 19, 2009) - MachineryLink, Inc., the leading provider of combine leasing programs to agricultural producers in North America, announced today the appointment of Amy Faulkner as Corporate Controller. In this role, Faulkner will manage the company's financial accounting team and assume complete accountability for all financial accounting functions for the company.

She arrives at MachineryLink with over 15 years of broad financial and accounting experience. Most recently, Faulkner held the position of Controller at CyDex Pharmaceuticals, where she managed all aspects of the monthly financial statement preparation in addition to managing the S-1 filing with the SEC to support IPO preparations and Sarbanes Oxley implementation. Prior to CyDex, Faulkner was Assistant Controller/Acting Controller and Operations Support Manager for Pioneer Financial Services. At Pioneer, she was responsible for all SEC filings and was heavily involved in the treasury management functions. Faulkner also held supervisory positions at McGladrey and Pullen LLP and Gottlieb, Kalendar & Snow PA.

Faulkner holds a Bachelor's Degree from Iowa State University and is a Certified Public Accountant.

About MachineryLink, Inc.

MachineryLink (www.machinerylink.com) is the leading and fastest growing provider of combine leasing programs to agricultural producers in North America. Its headquarters are in Kansas City, MO, with operational centers in Pratt, KS and N. Sioux City, SD. The company also maintains seasonal service facilities in five locations across the United States. MachineryLink's unique Managed Lease program allows growers to significantly lower their equipment costs by providing the latest harvest technology and equipment with guaranteed delivery and pick-up.
