MachineryLink Introduces Shane Holmstrom As Regional Sales Manager in North Dakota

Kansas City, MO (October 5, 2009) - MachineryLink, Inc., the leading provider of combine leasing programs to agricultural producers in North America, announced today the appointment of Shane Holmstrom to Regional Sales Manager for the state of North Dakota.

Shane will assume all sales and market development activity for North Dakota and will build upon the current base of customers as more grain growers recognize the value of the Managed Lease Program for harvest combines.

For over five years, Holmstrom has served as District Manager, Marketing Services for Bobcat Company. In this position, he supported the dealer network and worked closely with customers across the Bobcat product spectrum. He holds a bachelor's degree in management from Minot State University in Minot, North Dakota.

About MachineryLink, Inc.

MachineryLink (www.machinerylink.com) is the leading and fastest growing provider of combine leasing programs to agricultural producers in North America. Its headquarters are in Kansas City, MO, with operational centers in Pratt, KS and N. Sioux City, SD. The company also maintains seasonal service facilities in five locations across the United States. MachineryLink's unique Managed Lease program allows growers to significantly lower their equipment costs by providing the latest harvest technology and equipment with guaranteed delivery and pick-up.
